Address Change
W87802

I need to file a change of address for Liberty Freedom LLC, so I can have the documentation I need to renew my LLC report and license. The old address was 940 East Carol but forwarding address has lapsed so haven't received the postal card for renewal. If it has been sent could you reissue one? I went on the website but couldn't find the place to change the address. The physical address is 2512 Stokesberry Lane Ste. 101, Meridian Idaho, 83646. Mail IS NOT delivered to this address however. So please use address below:

The second issue is the change of address for Align Hospice now we have moved. It was registered for this year under administrator Pro-Tem, Sherron C Carlson. The 2013 registration has been completed and I will fax with this however my name should be listed as Managing Owner/ Administrator and Sherron's removed. If you need to fax forms for me to complete they can be sent under cover sheet to Julia Davis at 208-639-1921 Fax number. The number for this document is 87803. Thank you in advance, the Liberty Freedom information can be faxed to this number as well if you prefer.

Sincerely,

Julia Davis
