Dear Sir/Madam:

This letter is written to determine if your records reflect the correct mailing address for this company.

As I had notified you in May of 2003, I am the registered agent for this company. I did not receive the 2004 Annual Report. Therefore, it was necessary to reinstate this company.

Please verify the mailing address for this company as my address on this letterhead. Thank you for your assistance.

Sincerely,

Sydney L. Gutierrez
