5.2. The nature of the business and the object and purposes of this Association shall be as follows:

5.2.1. The Association shall be the "Management body" as defined in Section 55-1503, Idaho Code, and as provided for in the terms and conditions of that Condominium Declaration for Specialty Services Condominium (hereinafter referred to as the "Declaration"), recorded as Instrument Number 101085300, records of Ada County, Idaho, which delegates and authorizes this Association to exercise certain functions as the Management body. Unless otherwise defined herein, all of the words and terms that are initially capitalized herein shall have the meanings and definitions ascribed to them in the Declaration, which definitions are incorporated herein by reference.

5.2.2. The Association shall have the power to have, exercise and enforce all rights and privileges, and to assume, incur, perform, carry out and discharge all duties, obligations and responsibilities of a Management body as provided for in the Condominium Act, and in the Declaration, as amended from time to time. MEMBERSHIP

6.1. Each Member shall be entitled to receive a certificate of membership, which certificate shall state the number of votes the Member is entitled to cast as a Member of the Association.

6.2. There shall be one membership in the Association for each Owner as established by the Declaration. The members of the Association must be and remain Owners of a Condominium within the Building, and the Association shall include all Owners within the Building. If title to a Condominium is held by more than one person,

the membership relating to that Condominium shall be shared by all such persons in the same proportionate interest and the same type of tenancy in which the title to the Condominium is held.

6.3. No person or entity other than an Owner may be a member of the Association. A member shall not assign or transfer its membership except in connection with the transfer or sale of a Condominium; provided, however, that the rights of membership may be assigned as further security for a loan secured by a lien on a Unit. Every person or entity who is an Owner of any Unit for which the Association has been or may be designated as a Management body shall be required to be a Member of the Association and remain a Member so long as such person or entity shall retain the ownership of a Unit. Membership in the Association is declared to be appurtenant to the title of a Unit upon which such membership is based and automatically shall pass with the sale or transfer of the title of the Unit. Members, other than as specified in the Declaration, shall not have pre-emptive rights to purchase other memberships in the Association or other Units.

ARTICLE 7

7.2. Each member shall be entitled to the number of votes equal to the Member's percentage of ownership in the Common Area.

7.3. The members of the Board of Directors shall be elected as provided in the Bylaws.

7.4. Except as otherwise expressly stated herein, any of the rights, interests and obligations of the Association set forth herein or reserved herein may be transferred or assigned to any other qualified person or entity as described under Section 7.4 in the Declaration; provided, however, that no such transfer or assignment shall relieve the Association of any of the obligations set forth herein. Any such transfer or assignment shall not revoke or change any of the rights or obligations of any Owners as set forth herein.

ARTICLE 8
ASSESSMENTS, BY-LAWS AND AMENDMENTS

8.1. Each Member shall be liable for the payment of Assessments and charges provided for in the Declaration and for the payment and discharge of the liabilities of the Association as provided for in the Declaration, the Condominium Act, and set forth in the Bylaws.

8.2. The Bylaws may be altered, amended, or new Bylaws adopted by any regular or special meeting of the Association called for the purpose by the affirmative vote of the membership of the Association holding two-thirds (2/3) of the voting power of the Association, but no such amendment shall be inconsistent with the provisions of the Declaration.

8.3. For the purpose of specifying in detail the rights, responsibilities, duties and obligations of the Board of Directors, the officers, employees and agents of the Association and the Members thereof, including the liability of the Members for the payment of Assessments, the Bylaws may incorporate by reference the provisions of the Declaration.

ARTICLE 9
DISSOLUTION

Subject to the provisions as to mortgage protection contained in the Declaration, the Association may be dissolved with the assent given in writing and signed by not less than three-fourths (3/4) of the voting power of the Association. Upon dissolution of the Association, other than incident to a merger or consolidation, and otherwise in accordance with applicable statutory dissolution procedures, the assets of the Association shall be dedicated to an appropriate public agency to be used for purposes similar to those for which the Association was created. In the event that such dedication is refused acceptance, such assets shall be granted, conveyed and assigned as specified by the Board of Directors to a non-profit corporation, association, trust or other organization to be devoted to such similar purposes for which the Association was created.
