The seal of the State of Nevada is a circular emblem. It features a central illustration of a landscape with a mountain range in the background, a river or lake in the foreground, and a small building or structure on the right. The words "GREAT SALT LAKE" are inscribed along the top inner border of the seal. The words "STATE OF NEVADA" are inscribed along the bottom outer border. The seal is surrounded by a decorative border.

I, DEAN HELLER, the duly elected and qualified Nevada Secretary of State, do hereby certify that I am, by the laws of said State, the custodian of the records relating to filings by corporations, non-profit corporations, corporation soles, limited-liability companies, limited partnerships, limited-liability partnerships and business trusts pursuant to Title 7 of the Nevada Revised Statutes which are either presently in a status of good standing or were in good standing for a time period subsequent of 1976 and am the proper officer to execute this certificate.

The seal of the National Aeronautics and Space Administration (NASA) is a circular emblem. It features a central illustration of a space shuttle in flight, with a large, multi-story building (likely a NASA facility) in the background. The entire scene is set against a backdrop of a stylized, mountainous landscape. The seal is surrounded by a ring of stars, and the words "NATIONAL AERONAUTICS AND SPACE ADMINISTRATION" are inscribed around the perimeter.

Stan Heller
