We teach students virtue, wisdom, and to think critically about their studies, how to apply the word of God to understand the world, and to defend, the true living and breathing word of God. We teach a Biblical worldview and keep Jesus at the foundation of each subject. Our goal as a classical Christian school is to challenge students to identify their own areas of weakness and strengths, growing together in grace, grit, gratitude, and grammar, to develop a joy for learning, in compliance with the truth of Scripture.
