ALUMNI WEEKEND

On Saturday, October 13, 1979, The Pi Kappa Alpha Alumni were invited to participate in a fun filled weekend at the old fraternity house. We had approximately twenty-five alums show up for the festivities. The Alums came through once again by beating members and pledges of the fraternity in a hard fought football game. Victory never felt better!!!

After the football game we had a fantastic meal at the fraternity house. Hazel, the house's new cook, went way out of her way in preparing the great feast. All of us enjoyed the meal to the fullest; that is more than I can say about the football game between the University of Idaho and Boise State University.

The U. of I. had a good first half but I sure don't know what happened during the second half of the game. B.S.U. won the game with the greatest of ease. After the game we all returned to the fraternity house to drown our sorrows. The party didn't get over until the wee hours of the morning.

PIKE BUILDING CORPORATION

On Sunday, October 14, 1979, we held a Pike Building Corp. Meeting. President Jim Barnes presided over the meeting. House President Roger Yasuda, reported that twenty seven men pledged the fraternity during the 1979 Fall Rush. This was the largest pledge class of any fraternity on campus.

Karl Klokke, treasurer of the Pike Building Corp., discussed the possibility of purchasing the house from the National Pi Kappa Alpha Fraternity. One way of accomplishing this, is through refinancing the current house loan. Doug Crum is looking into the feasibility of the matter for us.

The Parent's Club of Zeta Mu is now in the process of being reinstated. A letter is being sent to all the parents stating the functions of the club and there will be a \$10.00 per year membership fee. It's good to see this fine organization get started once again. Their interest and assistance will greatly be appreciated.

President Jim Barnes gave his report to the Corp. He expressed the Alumnis' willingness to become more involved with fraternity matters. He explained how the alumni want to take an active part in house activities, improvements and finances.

Elections were held for the officers of the Pike Building Corp for the 1979-1980 year.

ALUMNI ASSOCIATION MEETING

CAN YOU HELP? WE ARE TRYING TO LOCATE ALL OF OUR ALUMNI!!!!!!!
If you know of someone that has just moved or hasn't been receiving correspondence from us, please let us know.

The fraternity is currently in the process of remodeling the lounge at the fraternity. This project will cost approximately \$4800.00 and will include carpeting, furniture, plants, and paintings. If you feel the urge to contribute, please do so!

We also voted to institute a recommendation that each Alum donate \$25.00 or more to the Pike Building Corp. This is a tax deductible donation! These monies would go for house improvements unless otherwise specified. We have approximately one hundred active alums, and if we each donate at least \$25.00 per year, you can obviously see the amount of monies that could be collected for the benefit of our old home. We all know that there are some improvements that need to be done and it is now time to get started. Please make all checks payable to:

Come on Alums, lets get behind our fraternity and help it out. Lets try and pay back a little to the house that gave us so much.
