Amendment to Annual Report Form

Dear Sir or Madam:

Our Annual Report Form (Due April 30, 2004) was filed on or about February 6, 2004.

We hereby wish to amend that Annual Report by deleting the office of Secretary/Treasurer and also by removing Debbie Stearns from that office. All other information, as otherwise filed on that report, is correct and remains unchanged.

If there are any questions, please call me at 888-4900. Thank you for your attention to this matter.

Sincerely,

Tim B. Myers, President
