9 Condominiums Phase Vii (hereinafter referred to as the "Declaration") to be executed by the Dempsey Construction Corporation, which delegates and authorizes the Association to exercise certain functions as the Management Body. The Declaration shall be recorded in the Office of the County Recorder of Blaine County, State of Idaho, together with a copy of these Articles of Incorporation appended thereto.

(b) The Association shall have the power to have, exercise, and enforce all rights and privileges and to assume, incur, perform, carry out, and discharge all duties, obligations, and responsibilities of a Management Body as provided for in the Idaho Condominium Property Act and in the Declaration, as such Declaration is originally executed or, if amended, as amended. The Association shall have the power to adopt and enforce rules and regulations covering the use of any condominium project or any area or units thereof, to levy and collect the annual and special assessments and charges against the condominiums and the members thereof, and in general to assume and perform all functions to be assumed and performed by a Management Body as provided for in the Declaration. The Association shall have the power to transfer, assign, or delegate such duties, obligations, or responsibilities to other persons or entities as permitted or provided for in the Idaho Condominium Property Act, the Declaration, or in an agreement executed by the Association with respect thereto. The Association shall actively foster, promote, and advance the interest of owners of condominium units within the condominium project.

Section 2. In addition to the foregoing, where not inconsistent with either the Idaho Condominium Property Act (title 55, chapter 15, Idaho Code) or Title 10, Idaho Code, the Association shall have the following powers:

(a) The Association shall have the authority set forth in Title 30 of the Idaho Code relating to the organization and conduct of general business corporations.

(b) The Association shall have the authority to buy, sell, acquire, hold, mortgage, or enter into security agreements and to pledge lease, assign, transfer, trade, and deal in and with all kinds of personal property, goods, ware, and merchandize of every kind, nature, and description.

(c) The Association shall have the authority to buy, sell, let, mortgage, exchange, or otherwise acquire or dispose of lands, lots, houses, buildings, real property, hereditament, and appurtenances of all kinds and wheresoever situated and for any interest and rights therein, to the same extend as natural persons might or could do and without limit as to amount.

(d) The Association shall have the authority to borrow money, to draw, make, accept, enforce, transfer and execute promissory

notes, debentures, and other evidences of indebtedness, and, for the purpose of securing any of the Association's obligations or contracts, to convey, transfer, assign, deliver, mortgage, and/or pledge all or any part of the property or assets, real or personal, at any time owned or held by the Association.

(e) The Association shall have the authority to have one or more offices to carry on all or any part of the Association's operations and business and to do all and everything necessary, suitable, convenient, or proper for the accomplishment of any of the purposes or the attainment of any one or more of the objects herein named or which shall at any time appear conducive or expedient for the protection or benefit of the Association and which now or hereafter may be authorized by law, and to the same extent and as fully as natural persons might or could do as principals, agents, contractors, trustees, or otherwise and either alone or in connection with any firm, person, association, or corporation.

(f) The foregoing clauses are to be construed both as objects and powers. As hereby expressly provided, an enumeration herein of the objects, powers, and purposes shall not be held to restrict in any manner the general powers of the Association. The Association shall have the power to do all acts that are necessary and convenient to obtain the objects and purposes herein set forth to the same extent and as fully as any natural person could or might do, within the framework of the Idaho Condominium Property Act, these Articles of Incorporation, and the general corporation laws of the State of Idaho.

Section 3. No part of the net earnings of the Association shall inure (other than by acquiring, constructing, or providing management, maintenance or care of property held by the Association, commonly held by members of the Association or located in the project and owned by members of the Association, and other than by a rebate of excess membership dues, fees or assessments) to the benefit of any private member or individual. The assets of the Association after all creditors have been paid shall be distributed prorata to its members on dissolution.

ARTICLE VII

Section 1. Each member shall be entitled to receive a certificate of membership, which certificate shall state the number of votes that member is entitled to cast as a member of the Association.

Section 2. There shall be one membership in the Association for each condominium in Fairway 9 Condominiums Phase VII, as established in the Declaration. The members of the Association must be and remain owners of condominiums within the project set forth in the Declaration to be recorded in Blaine County, State of

Idaho, and the Association shall include all owners of condominiums within the project. If the title to a condominium is held by more than one person, the membership relating to that condominium shall be shared by all such persons in the same proportionate interest and the same type of tenancy in which the title to the condominium is held.

Section 3. No person or entity other than an owner may be a member of the Association. A member shall not assign or transfer such member's membership certificate except in connection with the transfer or sale of a condominium. Every person or entity who is an owner of any condominium unit included in any condominium project for which the Association has been or may be designated as a Management Body shall be required to be a member of the Association and remain a member so long as such person or entity shall retain the ownership of the condominium unit. Membership in the Association is declared to be appurtenant to the title of the condominium unit upon which such membership is based and automatically shall pass with the sale or transfer of the title of the unit. Members shall not have preemptive rights to purchase other membership in the Association or other condominium units in the project.

Section 4. The voting rights and interests of a member of the Association shall be determined by the owner member's percentage interest in the "common area" of the condominium project described in the Declaration, as the term "Common Area" is defined in section 55-1503 of the Idaho Code; therefore, the voting rights and interest depends upon the number and type of condominium units. The voting rights and interests of new members shall be determined in the same way as such percentage interests and rights were determined for old members.

Section 5. The total number of votes that attach to membership certificates shall be exercised by the members of the Association from and after the date of the incorporation. Each member shall be entitled to vote the same percentage of the ten thousand (10,000) votes as that member is given percentage in the common area.

ARTICLE VIII

Each member shall be liable for the payment of assessments provided for in the Declaration and for the payment and discharge of the liabilities of the Association as provided for in the Declaration, the Idaho Condominium Property Act (title 55, chapter 15, Idaho Code), and as set forth in the Bylaws of the Association.

ARTICLE IX

The Bylaws of the Association may be altered, amended, or new bylaws adopted at any regular or special meeting of the Association

called for that purpose by the affirmative vote of two-thirds (2/3) of the members present at such meeting. The Bylaws may also be amended or repealed or new bylaws adopted at any meeting of the Board of Directors by the vote of at least a majority of the entire Board of Directors, provided, any bylaw adopted by the Board of Directors may be amended or repealed by the stockholders in the manner set forth above.

Any proposal to amend or repeal these Bylaws or to adopt new bylaws shall be stated in the notice of the meeting of the Board of Directors or the members or in the waiver of notice thereof, as the case may be, unless all of the directors or the members are present at such meeting.
