Idaho S.O.S office

My name is Travis Udy and my wife and I have recently purchased Challis Clean Inc. from Bob and Donna DeGrado from Challis Idaho. I called to see what I needed to do and was told to send this letter with the following information. The new owners are Travis and Melinda Udy. This will be a woman owned business with Melinda holding 51% of the shares. She is also the pres. Travis will act as vice pres. The new address for the business will be 11300 N. 100 W. Malad Id. 83252. The tax I.D. # is 82-0503217. I was told that this number didn't need to be changed. If there is anything else I need to do or send, please let me know. In the future if we want to change the name of the business is there anything that we need to do?

Thanks,

Travis and Melinda Udy
