Mr. Pete Cenarrusa  
Idaho Secretary of State  
P.O. Box 83720  
Boise, ID 83720

C 117802-  
Resigned Director/Officer

Dear Mr. Cenarrusa,

Please remove my name from any listing of a corporation named Family Unity Now, dba Family Fest. The reason for my removal is I was not made aware of the financial commitments of the corporation. These obligations were to artists and speakers as well as to many local businesses and other entities. Larry Lindstrand acted on his own and obligated himself in his dealings with these creditors.

My involvement with Family Unity Now was in a professional sense as general manager of KTSY, a non-commercial Christian radio station in Caldwell. My responsibilities including promotion of the event, mainly through KTSY and printed material. Those responsibilities have all been completed in a timely fashion. These responsibilities are the same as I have with many other businesses and non-profit organizations in the area. I was never consulted regarding the hiring of any of the artists or speakers nor was my opinion ever sought regarding any of the contracts and commitments made for the event.

Please consider this an official letter of resignation for purposes of removing my name and clearing the records.

If you need to contact me for any reason, please call me at the number listed above.

Sincerely,

Michael Agee  
General Manager
