6. Capital Contributions: The following capital contributions shall be made:
- 6.1 The General Partners shall make a capital contribution as stated in 1.5 to the Partnership and shall provide services as stated herein for agreed fees and salary. The aggregate capital contributions of the General Partners shall at all times equal or exceed one percent (1%) of the aggregate capital contributions of the Limited Partners.
- 6.2 The persons who execute this Agreement as Limited Partners shall contribute to the capital of the Partnership an aggregate cash amount as stated in Section 1.5 for the number of Units of Limited Partnership Interests as stated in Section 1.6, each Unit representing the Limited Partners' interest in the operating net profits, losses and net cash distributions of the Partnership, as defined in Section 8, and on dissolution of the Partnership Property as defined in Section 14, subject to taxable allocations as defined in Section 16.

8. Profits, Losses and Distribution of Available Cash from Operations:

- 8.1 Net Operating Profits and Losses and Net Cash Distributions from Operations (after payment of all fees) shall be distributed to the Limited Partners (pro rata in the relationship of the number of Units held by each) and the General Partners (divided among them as they agree) as stated in Section 1.5.1. "Net Operating Profits and Losses" are defined as those reported by the Partnership's accountant on the Partnership's annual Partnership income tax information return pursuant to the accrual method of accounting. "Net Cash Distributions from Operations" is the net operating profit or loss sum stated above, plus non-cash charges (depreciation and amortization), less cash requirements paid or set aside to pay the Contract payable, expenses (including management fees), reserves and other liabilities pursuant to generally accepted accounting principles.
- 8.2 The Net Operating Profits and Losses and Net Cash Distributions from Operations apportioned to the Limited Partners shall be reapportioned among them, pro rata, in relationship to the number of Units owned by each as compared to the total Units outstanding, even though the percentage of interest per Unit, as stated in 1.6, is exceeded.
- 8.3 From time to time, but at least annually, the General Partners shall distribute the available Net Cash Available for Distribution to the General and Limited Partners entitled thereto, part or all of which may be a return on or of the Partners' initial investment. Nothing contained herein, however, shall prohibit the General Partners from distributing any excess working capital 100% to the Limited Partners. Such distributions shall be at the total discretion of the General Partners.
- 8.4 No Partner shall receive any interest on his contribution to the capital of the Partnership or have any priority of any kind over any other Limited Partner (except interest earned by the Escrow Agent during the subscription period) or have any priority of any kind over any other Limited Partner.
- 8.5 The Partnership is responsible for the payment of all fees in connection with this Partnership as expenses of the Partnership. Reimbursement (other than for organization and offering expenses or other fees described herein) to the General Partners or their Affiliates shall not be made, except for reimbursement of the actual cost to the General Partners or their Affiliates of goods and materials used for or by the Partnership or for services otherwise provided for herein.

9. Advances from General Partners: The General Partners may advance funds to pay costs incurred in connection with the acquisition of the buildings to the extent cash is not available from the activities of the Partnership, including rentals, capital contributions, and proceeds resulting from an increase in the Loan. The General Partners may make

advances or loans to the Partnership to pay its operating costs. For all such advances the General Partners shall receive a promissory note or notes, payable from the first funds available from operating revenue, said notes to bear interest at a rate 1% per annum more than that payable by the General Partners to their lending bank and such notes shall be payable prior to the payment of Cash Distributions to the Partners. Loans by the General Partners to the Partnership shall require the approval of the holders of a majority of the Limited Partnership Units.

10. Powers, Duties and Responsibilities of the General Partners:

- 10.1 The General Partners shall be responsible for the supervision, operation and maintenance of the Partnership business, property, and its accounting records.
- 10.2 The General Partners may manage the Project or they may appoint a managing agent and the Limited Partners hereby consent to the employment of such managing agent as the General Partners may engage, notwithstanding the fact that any party hereto may have an interest therein. The management fee shall be an expense of the Partnership. It shall be permissible to employ one or more of the General Partners as managers or to engage an agency in which one or more of the General Partners has an interest.
- 10.3 Nothing contained herein, however, shall prevent any of the Partners, General or Limited, from continued engagement in real estate activities other than this Partnership, and no parties herein shall have any interest in such other activities by virtue of this Partnership.
- 10.4 Without limitation of any power that may be conferred upon them by law, the General Partners may engage in activities as hereinafter outlined.
 - 10.4.1 The General Partners shall have exclusive authority to manage the operations and affairs of the Partnership and to make all decisions regarding the business of the Partnership. Pursuant to the foregoing, it is understood and agreed that the General Partners shall have all of the rights and powers of a General Partner contemplated by the OULPA and as otherwise provided by law, and any action taken by the General Partners shall constitute the act of and serve to bind the Partnership.
 - 10.4.2 The General Partners are hereby granted the right, power and authority to do on behalf of the Partnership all things which, in their sole judgment, are necessary, proper or desirable to carry out their duties and responsibilities, including but not limited to the right, power and authority to compromise, submit to arbitration, sue or defend all claims in favor of or against the Partnership; to make and revoke any election permitted the Partnership by any taxing

authority; to incur all reasonable expenditures; to employ and dismiss from employment any and all employees, agents, independent contractors, real estate managers, brokers, attorneys and accountants; to rent or lease all or any portion of any property for any purpose and without limit as to the term thereof, whether or not such term (including renewal terms) shall extend beyond the date of the termination of the Partnership and whether or not the portion so rented or leased is to be occupied by the lessee or, in turn, subleased in whole or in part to others; to create, by grant or otherwise, easements and servitudes; do all acts they deem necessary or appropriate for the protection and preservation of the Partnership's assets; carrying at the expense of the Partnership such as insurance coverage for public liability and all other insurance necessary or appropriate to the business of the Partnership in such amounts and in types as they shall determine from time to time; to borrow money and as security therefor to contract or mortgage all or any part of any property; to construct, alter, improve, repair, raze, replace or rebuild any property; to obtain replacements of any mortgage or mortgages related in any way to the property owned by the Partnership, and to prepay in whole or in part, refinance, recast, modify, consolidate or extend any mortgages affecting any such property; to do any and all of the foregoing at such price, rental or amount, for cash, securities or other property and upon such terms as the General Partners deem proper (provided, however, that in connection with the borrowing of money, recourse for the repayment of which is limited solely to Partnership property, no lender shall be granted or acquire, at any time as a result of making such a loan, any direct or indirect interest in the profits, capital or property of the Partnership other than as a secured creditor); to place record title to any property in its name or in the name of a nominee or a trustee for the purpose of mortgage financing or any other convenience or benefit of the Partnership; and to execute, acknowledge and deliver any and all instruments to effectuate any and all of the foregoing.

- 10.4.3 The General Partners shall have the right, power and authority to lease, sell, exchange, refinance or grant an option for the sale of all or any portion of the real and personal property of the Partnership, at such rental, price or amount, for cash, securities or other property and upon such other terms as the General Partners in their sole discretion deem proper; provided, that the sale or other disposition of any of the Partnership's assets (except for the sale or other disposition of the final property remaining as a result of sales of properties in the ordinary course of business) shall require the approval of Limited

Partners holding a majority of the then outstanding Interests.

10.4.4 The General Partners shall devote such time to the Partnership business as, in their sole discretion, they shall deem to be necessary to manage and supervise the Partnership business and affairs in an efficient manner; but nothing in this Agreement shall preclude the employment, at the expense of the Partnership, of any agent or third party to manage or provide other services in respect of the Partnership property subject to the control of the General Partners.

10.4.5 The General Partners shall not be required to manage the Partnership as their sole and exclusive functions and they may have other business interests and may engage in other activities in addition to those relating to the Partnership, including the rendering of advice or services of any kind to other investors and the making or management of other investments. Neither the Partnership nor any Partner shall have any right by virtue of this Agreement or the partnership relationship created hereby in or to such other ventures or activities or to the income or proceeds derived therefrom and the pursuit of such ventures, even if competitive with the business of the Partnership, shall not be deemed wrongful or improper. The General Partners shall not be obligated to present any particular investment opportunity to the Partnership even if such opportunity is of a character which, if presented to the Partnership, could be taken by the Partnership and each of them shall have the right to take it for their own account (individually or as a trustee) or to recommend to others any such particular investment opportunity.

10.4.6 No General Partner shall be accountable to the Partnership for any investment or business opportunity which he hereafter becomes aware of by reason of the affairs of the Partnership. Each Partner hereby waives any and all rights which he has now or may have in the future by reason of the doctrine of partnership opportunity.

10.5 Neither the General Partner nor any affiliate shall have the authority to:

10.5.1 Enter into contracts with the Partnership which would bind the Partnership after the expulsion, adjudication of bankruptcy or insolvency, dissolution or other cessation to exist of the General Partner, or to continue the business with Partnership assets after the occurrence of such event;

- 10.5.2 Sell substantially all of the assets of the Partnership in a single sale, or in multiple sales in the same 12-month period, except in the orderly liquidation and winding up of the business of the Partnership upon its termination and dissolution;
- 10.5.3 Alter the primary purpose of the Partnership as set forth in Section 4, of the Partnership Articles of Limited Partnership;
- 10.5.4 Receive from the Partnership a rebate or give-up or participate in any reciprocal business arrangement which would enable it or an Affiliate to do so;
- 10.5.5 Make long-term secured loans to the Partnership and on short-term unsecured loans made to the Partnership, receive interest on other financing charges or fees in excess of those amounts which would be charged by third party financing institutions on comparable loans for the same purpose in the same geographic area, except to the extent permitted by Section 9.
- 10.5.6 Do any act in contravention of these Articles of Limited Partnership or which would make it impossible to carry on the ordinary business of the Partnership;
- 10.5.7 Possess any Partnership Property or assign the rights of the Partnership in specific Partnership Property for other than a Partnership purpose;
- 10.5.8 Admit a person as a General Partner except with the consent of the Limited Partners as provided for in this Partnership Agreement;
- 10.5.9 Receive any insurance brokerage fee or write any insurance policy covering the General Partner or any of the Partnership Properties;
- 10.5.10 Employ, or permit to employ, the funds or assets of the Partnership in any manner except for the exclusive benefit of the Partnership;
- 10.5.11 Comingle the Partnership funds with those of any other person or entity;
- 10.5.12 Receive any commission or fee for the placement of mortgage loans or trust deed loans on the Partnership Property or otherwise act as a finance broker on behalf of the Partnership;
- 10.6 No Limited Partner may participate in the management of the Partnership business, except as provided by ORS 69.280.

- 10.7 The General Partners may be removed at the written request of Limited Partners holding a majority of the outstanding Units; however, such removal shall not affect any of the General Partners' ownership rights in Net Cash Distributions from Operations and Residue from Capital Transactions (see Sections 8 and 15). A successor General Partner may be chosen by the Limited Partners and must be approved by the Limited Partners holding all of the outstanding Units, providing the successor General Partner purchases all the vested interests of the removed General Partners for a price agreed between such Partners, payable upon eventual termination and dissolution of the Partnership, said obligation being a prior charge on the residual interests in this Partnership of the successor General Partner. If the parties cannot agree on a price, they shall submit the issue of the price to be paid to binding arbitration pursuant to the rules of the American Arbitration Association and costs thereof shall be paid as the arbitrators determine.
- 10.8 The General Partners hereby agree that any General Partner may act individually with full authority and power to act for the General Partners.
11. Indemnification: The Partnership, but not the Limited Partners, shall indemnify and save harmless the General Partners from personal loss or damage incurred by them by reason of any act performed in good faith for and on behalf of the Partnership and intended to be in furtherance of the interests of the Partnership. The General Partners will not be indemnified for any acts arising out of their negligence, not in good faith, and willful misconduct.
12. Liability of Partners: No Limited Partner shall be personally liable for the Contract or the debt secured thereby or for any other debts of the Partnership or any of the losses thereof beyond the amount originally contributed by him to the capital of the Partnership. The General Partners shall not be personally liable for the Contract or the debt secured thereby, but shall be personally liable for all other debts of the Partnership.
13. Fiscal Control:
- 13.1 The fiscal year and accounting period of the Partnership shall be the calendar year and at all times during the continuance of the Partnership, the General Partners shall keep or cause to be kept full and complete books of account in which shall be entered the transactions of the Partnership. The General Partners shall retain an accounting firm to perform the annual audit for the Partnership. Such accounting costs shall be an expense of the Partnership. The Partnership books shall be kept on an accrual basis.

- 13.2 All of such books of account shall at all times be maintained at the principal office of the Partnership. Such books shall be open to inspection by any of the Partners or their accredited representatives at any reasonable time during normal business hours.
- 13.3 The General Partners agree to deliver to the Limited Partners annual audited financial statements and "information returns" on or before March 15 of each year, showing the profit or loss of the Partnership and the distribution or allocation thereof to each Partner for the preceding calendar year, which allocation shall be made on a quarterly basis. Likewise, unaudited financial statements shall be provided to each Partner within 45 days of the end of each quarter, except the year-end quarter. All audited statements shall be prepared by the Partnership's selected accountant and the preparation of both the quarterly and annual statements shall be an expense of the Partnership.
- 13.4 All elections under the Internal Revenue Code on the Federal Income Tax Returns of the Partnership may be made and determined by the General Partners. It is understood and agreed that all of the Partners now elect to report the maximum allowed form of accelerated depreciation.
- 13.5 A separate capital account shall be maintained for each Partner.
- 13.6 Funds shall be retained to the extent available in the Partnership in such amounts as the General Partners deem reasonably necessary to provide for the foreseeable expenses of the Partnership and to prevent impairment of the Partnership capital.
- 13.7 All funds of the Partnership shall be deposited in the Partnership name in a depository bank selected by the General Partners. Withdrawals shall be made by check, draft, or other appropriate instrument signed by the General Partners or by such other persons as they may designate.
14. Dissolution of Partnership: The Partnership shall be dissolved only upon the occurrence of one or more of the following events:
- 14.1 The sale of all or substantially all of the Partnership assets.
- 14.2 Upon the bankruptcy, death, or incapacity of any General Partner, provided however, that in any of such events the surviving General Partners or the Limited Partners holding a majority of the outstanding Units may elect to continue the business of the Partnership. In such event, the Partnership shall not be dissolved and the surviving General Partners may designate a new General Partner who must be approved by the Limited Partners holding all of the outstanding Units. In the event all General Partners are removed for any reason or because of their bankruptcy, death or incapacity, the Limited Partners holding all of the outstanding Units may elect to continue the business of

the Partnership, providing the new General Partner is approved by a unanimous vote of Limited Partners, and further providing the new General Partner purchases all the vested interests of the prior General Partners in the Net Cash Distributions from Operations and Residue from Capital Transactions in this manner and as stated in Section 10.7;

- 14.3 Upon the decision of the General Partners, with the consent of Limited Partners holding a majority of the outstanding Units, to dissolve the Partnership;
- 14.4 Upon destruction of all or substantially all of the Partnership property;
- 14.5 Upon unanimous consent of all of the Limited Partners to dissolve the Partnership, which consent shall be executed in writing;
- 14.6 Upon expiration of the period of the Partnership;

15. Distributions Upon Dissolution, Termination, Refinancing or Other "One-time" Gains:

- 15.1 Upon any dissolution of the Partnership, the General Partners shall proceed to the orderly liquidation and termination of the Partnership. The proceeds of such liquidation shall be applied and distributed in the following order of priority subject to O.R.S Section 69.430:
 - 15.1.1 In the event of dissolution only, to the payment of debts and liabilities of the Partnership (not including the contributions of Limited Partners and any loans or advances that may have been made by the General Partners to the Partnership) and expenses of liquidation.
 - 15.1.2 To the setting up of any reserves which the General Partners may deem reasonably necessary for any contingent or unforeseen liabilities or obligations of the Partnership;
 - 15.1.3 To the payment of the outstanding balance on notes payable to Partners, if any, the Limited Partner's notes, if any, to be paid first;
 - 15.1.4 To the payment of the Partners' capital contributions in the ratio as stated in Section 1.5.1, except as reduced by any prior distributions made pursuant to Section 15.2;
 - 15.1.5 The "Residue" then remaining shall be apportioned in the ratio stated in Section 1.5.1, Residue from Capital Transactions, to the General Partners (divided among them as they separately agree) and to the Limited

Partners (pro rata in relationship to the number of Units held by each).

- 15.2 The same order of distribution shall apply to the proceeds received by the Partnership from any net excess insurance proceeds and any net proceeds of mortgage refinancing, partial condemnation, sales of easements, rights-of-way, or similar interest in the property of the Partnership, and sales of parts of the Partnership property or interest therein and other similar items which, in accordance with generally accepted accounting principles are attributable to capital except the return of excess working capital, to the extent available for distribution (which shall be distributed as outlined in Section 8.3).
 - 15.3 A reasonable time shall be allowed for the orderly liquidation of assets of the Partnership and the discharge of liabilities to creditors so as to enable the General Partners to minimize the normal losses attendant upon a liquidation.
 - 15.4 The General Partners shall not be personally liable for the return of the capital contributions or advances of the Limited Partners or any portion thereof. Any such return shall be made solely from the Partnership assets.
16. Tax Treatment of Certain Gains: Although net proceeds to the Partnership upon the sale or other disposition of property of the Partnership shall be distributed as provided in Section 15 hereof, any taxable gain realized by the Partnership from such sale or distribution shall be allocated among the Partners as follows:
- 16.1 Not only gain subject to taxation as ordinary income pursuant to Sections 1245 and 1250 of the Internal Revenue Code, providing for depreciation recapture, but also any other taxable gain until the Partners' capital accounts are brought to zero, shall be distributed to the Limited Partners and the General Partners in the ratio necessary to raise their debit capital accounts to zero, (even though the cash proceeds are allocated differently as provided in Section 15). The debit capital accounts shall be determined after their distribution of cash on dissolution has been distributed.
 - 16.2 All other taxable gain shall be allocated to the Limited Partners and the General Partners as stated in Section 1.5.2.
17. Transfer of Partnership Interests:
- 17.1 The General Partners or affiliates shall not assign, mortgage or sell their interest in the Partnership, or enter into any agreement as the result of which any person shall become interested with them in the Partnership, without the prior written approval of the Limited Partners holding a majority of the outstanding Units. This provision shall not prohibit the General Partners from allocating their Partnership benefits among

themselves or affiliates, from assigning up to 1/4th of their 30% interest in Residue from Capital Transactions to outside third parties in connection with borrowings of the Partnership, or to a 5% assignment of its residual interests to individuals licensed with Rockwood Securities Corporation.

- 17.2 Upon the death of a General Partner, the interest of the deceased General Partner in the Partnership shall pass as part of his estate as his Will or as the law shall provide, but without power to vote in matters concerning the Partnership. The successor or successors to that Partnership interest, by reason of such death, shall have all the rights of the decedent in the profits, losses, cash distributions, notes, capital and residue of the Partnership possessed by the decedent, subject to the provisions of Section 14.2 hereof. Upon the death of a Limited Partner, his lawful successor in interest may become a Limited Partner, subject to all of the terms and conditions of this Agreement, providing consent of the General Partners is first obtained, as herein provided.

The death of any Limited Partner shall not have the effect of terminating or dissolving this Partnership. Upon the death of a Limited Partner, his or her estate, devisee and/or heirs shall succeed to his interests and shall be bound by the terms and provisions of this Agreement; however, in the event that the interests of the deceased do not pass to a single trust or pass to more than one heir or devisee, or, upon termination of any such trust, are distributed to more than one beneficiary (the "Distributees") shall, within ninety (90) days after distribution by the Estate of the deceased Limited Partner or by the trustee under any trust established by the deceased Limited Partner, execute and deliver to the General Partners a written instrument (including a power of attorney) appointing one person, firm or corporation as and to be the agent of and for said Distributees. Such agent shall be responsible for collecting, receiving and making all payments and contributions required hereunder, shall vote all interests of the Distributees, and shall perform all other obligations of such Distributees performable by reason of or arising from their interests. Such payments shall be deemed to have been validly made to such Distributees by paying the same to such duly designated agent. In the event that said Distributees for any reason fail to designate such agent in writing in the manner and within the time prescribed and continue to cure such default after ten (10) days' written notice from the General Partners to correct the same, the General Partners shall have the right, at their election, to withhold all sums that are payable with respect to the interests of the Distributees until such time as the Partnership is dissolved or such default is cured. So long as such default exists with respect to any interests, such interests may not be voted on any matter on which the vote or consent of Limited Partners or holders of interests is required or permitted herein. Whenever interests may not be voted on a transaction, the percentage required herein for approval shall only include those Limited Partners permitted to vote. Upon the death of a Limited Partner's spouse having a community property interest in the interests of the Limited

Partner, the foregoing provisions of this Section 17.2, shall apply to all of the deceased spouse's community property interests in the surviving spouse's interests in the Partnership which do not pass to the surviving spouse by will or through operation of law, and such provisions shall be applied to such interests as though the Limited Partner had owned such interests and had died on the date of his spouse's death, leaving such interests to the actual recipients thereof.

- 17.3 Although a Limited Partner may assign his rights to Profits, Losses, and Net Cash Distributions an assignee cannot become a Limited Partner without the consent of a General Partner, the granting or denial of which is in the absolute discretion of the General Partners. The General Partners shall not give their consent to any such transfer unless and until they have received an opinion of counsel satisfactory to the General Partners that the proposed transfer will not terminate the Partnership for Federal income tax purposes nor cause a loss of any exemption from registration under the Securities and Exchange Act. A \$100 transfer fee in addition to actual costs incurred by the General Partners in connection with such a transfer shall be charged to the Limited Partner transferring his interests.
- 17.4 In the event that a transferee of a Partnership Interest becomes a Limited Partner, the items of gross income, deduction and credit pertaining to the transferred interest for the fiscal year of the transfer shall, unless otherwise agreed by the transferor and transferee, be allocated between the transferor and transferee so that the transferee receives all allocations as of the first day of the calendar quarter in which the transfer takes place.
- 17.5 Upon the transfer of an interest in the Partnership, the Partnership may elect, pursuant to Section 734 of the Internal Revenue Code of 1954, as amended, to adjust the basis of the Partnership property as allowed by Section 734(b) and 743(b) of said Code. The election shall be filed with the Partnership's Income Tax Return for the first taxable year in which the election applies.
- 17.6 Notwithstanding anything set forth above in this Section 17, no sale or exchange of all or a part of an interest in this Partnership shall occur if it would cause the termination of the Partnership for Federal income tax purposes, unless all the Partners agree in writing to such sale or exchange.
18. Admission of Additional Limited Partners: The General Partners may not admit to the Partnership additional Limited Partners contributing more capital than contemplated by this Agreement without the consent of Limited Partners holding a majority of the outstanding Units.
19. Representations and Warranties by Limited Partners: Each Limited Partner hereby represents and warrants to the Partnership and the General Partners as follows:

- 19.1 He is purchasing his Limited Partnership Interest for his personal investment purposes only and not with a view toward distribution or sale of all or a portion of such interest.
- 19.2 He will not sell or offer for sale his Interest in the Partnership without complying with the provisions of these Articles pertaining to transferability. He is aware that the Articles impose substantial restrictions on the transferability of his interest in the Partnership and recognizes that there is no ready public market or is one anticipated to develop for such interest and that it may not be possible to readily liquidate his investment in the Partnership.
- 19.3 He is financially capable of and intends to retain ownership of his Units during the entire term of the Partnership or for as long as he is physically capable of so doing.
- 19.4 Although it is expected that he will presently qualify for certain tax benefits offered by the Internal Revenue Code and amendments thereto, now in effect, because of the principal asset and business of the Partnership, he recognizes that there is no guarantee that the Internal Revenue Code or the regulations promulgated thereunder will not be amended in such a manner as to wholly or partially deprive him of any tax benefit he might presently receive under the law now in effect.
- 19.5 He has made a careful investigation of the materials (particularly the Offering Document and these Articles) submitted to him by the General Partners and has relied on his own investigation thereof and not on any oral representations of the General Partners, or anyone acting on their behalf, in making his decision to invest. He has not been denied any information with respect to the Partnership or the Project which he believed to be material to his decision to invest.
- 19.6 Securities Law Compliance. The Limited Partners hereby acknowledge that the offering of Limited Partnership Units will not be registered under the Securities Act of 1933 and is being made in reliance upon the availability of an exemption from that Act. The exemption claimed is the "private offering" exemption pursuant to Section 4(2) of the Securities Act of 1933 and Rule 146 promulgated thereunder.

Each Limited Partner, therefore, represents and warrants that he has read and understands the "Investor Suitability Standards" section of the Private Placement Memorandum of LAUREL PARK PROPERTIES OREG. LTD. Each Limited Partner also represents and warrants the following:

- a. That he can bear a total loss of his investment in the Partnership, as well as the adverse tax consequences of recapture of tax deductions

- b. That he anticipates that in 1981 through 1984 at least some of his income will be subject to Federal income tax at the rate of 40% (46% for corporations)
- c. That he has a net worth (exclusive of home, furnishings and automobiles) of at least \$100,000 or a net worth of at least \$250,000 exclusive of home, automobile and furnishings in which case he may disregard the requirement of subpart (b) above
- d. That he and his offerree representative (if any) have such knowledge and experience in financial and business matters that they are capable of evaluating the merits and risks of the investment in the Partnership
- e. That his participation in programs that offer tax incentives is reasonable in relation to his income and net worth
- f. That he is acquiring the Partnership interest for long-term investment and not with a view toward resale, fractionalization, division or distribution thereof
- g. That he has received and read a copy of the Private Placement Memorandum, has relied solely and completely on the Memorandum in making his decision to purchase Limited Partnership Units in the Partnership and has not relied on any representations not contained in the Private Placement Memorandum in making his investment decision, and
- h. That he has read, understands, completed and executed the Partnership Subscription Agreement and the Partnership Offerree Representative's Questionnaire (if applicable).

The General Partners may reject the application of any prospective investor who fails to comply with any of the provisions of this Article or for any other reason.

20. Amendments:

- 20.1 Amendments to the Articles may be proposed by the General Partners or by Limited Partners holding 10% of the outstanding Units. Following such proposal, the General Partners shall submit to the Limited Partners a verbatim statement of any such proposed amendment and an opinion of counsel as to the legality of such proposed amendment. The General Partners shall include in any such submission their recommendation as to the proposed amendment. Each such submission shall bear a notice to the effect that the proposed amendment shall become effective upon the receipt of the affirmative vote of Limited Partners holding a

majority of the outstanding Units. The General Partners shall seek the written vote of the Limited Partners on the proposed amendment by return mail following the submission, or shall call a meeting to discuss the proposed amendment. Such amendment shall be adopted or rejected at the meeting by the same affirmative vote required above. Limited Partners may vote in person or by proxy at any such meeting. Notwithstanding the above, no amendment shall:

- (1) Modify the liability of either the General Partners or the Limited Partners
- (2) Terminate the Partnership except as provided in this Agreement
- (3) In any way modify the obligations of the Partnership under the Contract.

20.2 Notwithstanding the above, the General Partners may amend this agreement to add or delete qualified Limited Partners by exercising their Power of Attorney for each Limited Partner as granted in Section 21.

21. Power of Attorney:

21.1 Each Limited Partner, by becoming a Limited Partner, constitutes and appoints the General Partners with full power of substitution his true and lawful attorneys for him and in his name, place and stead and for his use and benefits of said Limited Partner, to execute, sign, acknowledge, file, swear to, verify, deliver, record and publish:

21.1.1 The original Articles of Limited Partnership and all amendments thereto required by law or any other regulatory agency with lawful jurisdiction, or these Articles;

21.1.2 All instruments which effect a change, modification or amendment of this agreement by adding or substituting Limited Partners or dissolving or continuing the Partnership itself.

21.2 To represent each and every Limited Partner before any office of the Internal Revenue Service with respect to any Internal Revenue Tax matter that in any way related to this Partnership or any interest therein. Such General Partner shall have authority to receive confidential information and full power on behalf of each and every Limited Partner to execute agreements extending the statutory period for assessment or collection of taxes and to delegate authority or to substitute another representative.

21.3 The power hereby conferred shall continue from the date of the subscription of the Limited Partner until said Limited Partner shall cease to be a Limited Partner, or notifies the General Partners in writing as set forth in Section 22.2 that this power

of attorney is revoked. If revoked, the Limited Partners shall sign legally required amended articles immediately upon presentment by the General Partners.

- 21.4 The Certificate of Limited Partnership and all amendments thereto;
- 21.5 Any other instrument which may be required to be filed by the Partnership under the laws of any state or any governmental agency or which the General Partners deem it advisable to file; and
- 21.6 Any documents which may be required to effect the continuation of the Partnership, the admission or substitution of a Limited Partner, or the dissolution and termination of the Partnership, provided such continuation, admission, substitution or dissolution and termination are in accordance with the terms of the Articles.
- 21.7 The foregoing grant of authority:
 - a. Is a Special Power of Attorney coupled with an interest, is irrevocable and shall survive the death or incapacity of the undersigned;
 - b. May be exercised by the General Partners for each Limited Partner by the single signature of any General Partner or by listing all of the Limited Partners executing any instrument with the single signature of a General Partner as attorney-in-fact for all of them; and
 - c. Shall survive the delivery of an assignment by a Limited Partner of the whole or any portion of his interest.

This Special Power of Attorney does not supersede any part of the Articles, nor is it to be used to deprive the undersigned Limited Partner of any of his rights. It is intended only to provide a simplified system for execution of documents.

22. Miscellaneous:

- 22.1 This Agreement shall be binding upon and inure to the benefit of all of the parties and their estates, heirs, legatees, successors and assigns.
- 22.2 All notices provided for by the Articles shall be directed to the parties at the addresses herein set forth and to the Partnership at its principal office by certified mail, or to such other address as shall be notified to the Partnership in writing.
- 22.3 Any dispute under or concerning the Articles shall, at the option of any disputant, be submitted to arbitration in accordance with the rules of the American Arbitration Association. In any such

dispute, whether or not submitted to arbitration or a court of proper jurisdiction, the prevailing party shall recover from the other party his reasonable attorney's fees and related expenses as approved by the arbitrator or court.

- 22.4 This Agreement and the right of the parties hereunder shall be interpreted in accordance with the laws of the State of Oregon.
- 22.5 This Agreement may be executed in several counterparts and all, thus executed, shall constitute one agreement binding on all the parties, whether or not all the parties are signatory to the same counterpart.
- 22.6 The headings of the Sections of these Articles are inserted for convenience only and shall not be deemed to be a part of this Agreement.
- 22.7 In the event that any provision of these Articles shall be held to be invalid or unenforceable, the same shall not affect in any respect whatsoever the validity of the remainder of this Agreement or of such provisions under different circumstances.
- 22.8 Each of the parties shall execute, acknowledge and deliver instruments necessary to carry out the purposes of the Articles, and to sign any amendment to the Articles whenever the signing of such certificate or amendment is requested of them by a General Partner, and they agree to do such other acts as may be required to comply with the law for the valid formation and existence of a Limited Partnership. Upon the failure or refusal of any Partner to so sign or do such other act, the General Partners shall be deemed the duly constituted agent of the Partner failing or refusing to sign or act, to sign such amendment or to do such other act on his behalf, and the acts of such agent shall be deemed ratified, approved, and confirmed by the Partner for whom he is acting.
- 22.9 This Agreement represents the entire agreement by and between the parties hereto and no other agreements or understandings, written or oral, exist to modify any provision contained herein.
- 22.10 The Partners agree that the Partnership properties are not and will not be suitable for partition. Accordingly, each of the Partners hereby irrevocably waives any and all rights that he may have to maintain any action for partition of any of the Partnership property.
- 22.11 In the event a Limited Partner is a trust (with or without disclosed beneficiaries), partnership, limited partnership, joint venture, corporation or any entity other than a natural person, the Partnership and the General Partners shall (1) not be required to determine the authority of the person signing this Agreement or any amendment hereto, to make any commitment or undertaking on behalf of such entity, not to determine any fact or circumstance bearing upon the existence of this authority; (2)

not be required to see to the application or distribution of revenues or proceeds paid or credited to the person signing the Agreement or any amendment hereto on behalf of such entity; (3) be entitled to rely upon the authority of the person signing this Agreement or any amendment hereto with respect to the voting of the interests of such entity and with respect to the giving of consent on behalf of such entity in connection with any matter for which consent is permissible or required hereunder; and (4) be entitled to rely upon the authority of any General Partner, joint venturer, co- or successor trustee, or president, vice president or other authorized officer (as the case may be) of any such entity, the same as though such person were the person originally executing this Agreement or any amendment hereto on behalf of such entity.

- 22.12 No person dealing with the General Partners shall be required to determine their authority to make any commitment or undertaking on behalf of the Partnership, nor to determine any fact or circumstance bearing upon the existence of their authority. In addition, no purchaser of any asset owned by the Partnership shall be required to determine the sole and exclusive authority of the General Partners to sign and deliver on behalf of the Partnership any such instrument of transfer, or to see the application or distribution of revenues or proceeds paid or credited in connection therewith, unless such purchasers shall have received written notice from the Partnership affecting the same.
- 22.13 If a Limited Partner shall fail to pay any installment within the period stated in the promissory note, the General Partner will make a bona fide effort to find a buyer for the portion of the defaulting Limited Partner's Interest such as will allow the defaulting Limited Partner to retain an Interest in the Partnership equal to 50% of the cash amount paid to the date of default by the defaulting Limited Partner, less any distributions made in connection with such Interest. This shall in no way obligate the General Partner to effect such a sale, but only to make a good faith effort to do so. If such a sale cannot be accomplished within thirty (30) days from the date of default, the General Partner shall have no further obligation in this regard, and the defaulting Limited Partner shall retain an interest in the Partnership equal to 50% of the cash amount paid to the date of default less any distributions made as of such date in connection therewith. If such interest is not subsequently purchased, it shall revert to the Partnership. Notwithstanding the foregoing, the defaulting Limited Partner's obligation to make further payment of his capital contribution to the Partnership shall not be extinguished by the existence of such optional remedy, or by the exercise thereof, except to the extent such further payments of said capital contribution actually had been funded by such defaulting Limited Partner's successor or successors in interest.
