Re: Fretel Communications, LLC – ID No. W 7575

Dear Mr. Ysursa:

The 2012 Annual Report form electronically filed with the Idaho Secretary of State on October 16, 2012 for Fretel Communications, LLC, an Idaho limited liability company No. W 7575 is incorrect. The sole member and the manager of Fretel Communications, LLC is MJD Ventures, Inc. We apologize for this error and request that a copy of this letter be scanned and included with the business entity records database to correct the Annual Report. Peter Nixon and Lisa Hood, who are incorrectly listed as Members on the Annual Report, are officers of MJD Ventures, Inc. James Bauchman, who is incorrectly listed as a Manager on the Annual Report, is a former manager and was replaced upon the purchase by MJD Ventures, Inc. of all membership interests in 2000.

Thank you for your help regarding this matter.

Very truly yours,

Susan L. Sowell  
Vice President and  
Assistant General Counsel
