Re: Hab Pro, Inc.

I am withdrawing my forfeiture of those shares in Hab Pro, Inc. This shall continue to entitle me to that portion of monies from the shares to which I am entitled. I am however withdrawing as a director of Hab Pro, Inc. as stated in the letter to the Board of Directors (Hab Pro, Inc.) dated October 10, 1995. I am also requesting at this time, those certificates of stock in Hab Pro, Inc. which I own, ie. one thousand shares, issued as of June 20, 1995.

It has further come to my attention, that Sarah Bledsoe, a director of Hab Pro, Inc. has slandered me, ie. calling me a liar on numerous occasions. This is a violation of the law.

Further, on October 16, 1995 at 8:45 a.m., I spoke with Sarah Bledsoe at which time I was refused access to review and audit the financial records of Hab Pro, Inc. This also is a violation of the law according to my attorney Kenneth Roberts. Those records must be made available to me or other shareholders, or directors.

Any further slander of myself or refusing access to Hab Pro, Inc. records or other violations of the law will be cause for me to seek relief through the legal system.

I further understand that checks in the following amounts and description were issued without the Administrators or Board of Directors approval: \$210.00 (for Windows 95 and or repair of a personal computer owned by Michael and Sarah Bledsoe); a check for \$250.00 issued to Paul Meeker, PhD (for services as an advisory board member). A check is to be issued to Dr. Eugene Brown in the amount of \$250.00 (for services as an advisory board member). None of the above listed items have been approved as I have reviewed the Board of Directors minutes as signed by the Secretary/Treasurer, Sarah Bledsoe. I am requested an accounting in writing of all expenditures and income, from 9/1/95 to present, within one week from the date of this letter.
