

Dear Secretary of State,

C 204967
Officer Resignation

The Attached document is my resignation from Another World Inc. Located in Sandpoint, Idaho 83864, effective February 19th 2016. The reason for the delay in notification is that I had turned it into the city and was recently notified by them that it was to be sent to the state. I have not been active as part of Another World and have taken no part in actions since February 19th.

Sincerely,

Vincent T. Voit
