ARTICLE IV

Partners' and Partnership Interest

4.01 Partners' Contribution and Percentage Interests in the Partnership.

A. The capital of the Partnership shall be divided into General Partner interests and Limited Partner interests, each having individually, and in the aggregate, the Percentage Interest set forth herein.

B. The Percentage Interest of the General Partners shall be as set forth on Exhibit "B" hereto which may from time to time be hereafter amended.

C. The Percentage Interest of the Limited Partners shall be as set forth on Exhibit "B" hereto which may from time to time be hereafter amended.

D. The other provisions of the Agreement notwithstanding, in all events, the interest of the General Partners in each material item of income, gain, loss, deduction or credit will be equal to no less than 1% of each such item at all times during the existence of the Partnership. This interest shall be determined without taking into account any Limited Partner Interest owned by any General Partner.

4.02 Partners' Capital Contributions.

A. The General Partners shall contribute to the capital of the Partnership the sum set forth in Exhibit "B" hereto which may from time to time be hereafter amended, and all right, title and interest arising by virtue of their agreements with the seller of the Project, if any, and shall have therefor the Percentage Interest set forth in Section 4.01.B. and the interests in profits, losses and distributions set forth in Sections 5.01 through 5.04.

B. The Limited Partners shall each contribute the sum set forth in Exhibit "B" hereto which may from time to time be hereafter amended.

At such time as any additional capital contributions of the Limited Partners are made, the Partnership will file with the County Recorder or other recording official for the agency with which this Agreement is recorded, an amendment to this Agreement reflecting that such capital contributions have been made.

C. The Managing General Partner may accept, subject to the terms and conditions satisfactory to the Managing General Partner, notes, and/or

letters of credit from the Limited Partners as security for, or in payment of, the Limited Partners' capital contributions to the Partnership.

D. If a Limited Partner fails to make any Capital Contribution or shall make a Capital Contribution in a sum less than set forth in Section 4.01.B hereof within 15 days after its due date (a "Default"), then the Limited Partners' Percentage Interest, and the obligation of such Limited Partners to make future Capital Contributions for the fiscal year in which the Default occurs and thereafter shall, without further action, be reduced and (to the extent the right of the Limited Partners to receive allocated Profits or Losses or cash distributions of the Partnership is dependent on their Percentage Interest such allocations shall also be reduced) to that percentage, which is equal to the product of the total Percentage Interest of such Limited Partners in the Partnership prior to such Default multiplied by a fraction, the numerator of which is the difference between such Limited Partner's agreed upon Capital Contribution set forth in Section 4.02.B and such Limited Partner's actual Capital Contribution, and the denominator of which is such Limited Partner's agreed upon Capital Contribution set forth in Section 4.02.B. The Limited Partners hereby grant to the General Partners, and each of them, their irrevocable power of attorney (coupled with an interest) to execute any and all documents on behalf of the Partners and the Partnership and to file any such documents as may be required to effectuate the provisions of this Section 4.02.C.

4.03 Additional Capital in Event of Default. In the event the Limited Partners' Percentage Interest is reduced by virtue of the provisions of Section 4.02.C., the Managing General Partner may sell for such consideration as the Managing General Partner shall solely determine, such additional interest in the Partnership and admit such purchasers thereof as Limited Partners. The General and Limited Partners agree that upon such event, to the extent necessary to admit such additional purchasers as Limited Partners without further diluting the Limited Partners' interest, this Agreement may be amended to provide for additional Limited Partners, to create a separate class of Limited Partners, to provide for different allocations of income, gain, loss, deduction or credit and cash distributions, and the Limited Partners grant to the Managing General Partner their irrevocable power of attorney (coupled with an interest) to execute such agreements, certificates, or other documents and instruments necessary to effect such amendments.

4.04 Admission of Additional Limited Partners other than following Default. If at any time, and from time to time, the General Partner determines that the Partnership requires additional Capital to carry on its business (the "Additional Capital Required"), then the Managing General Partner shall notify the Limited Partners of the Additional Capital Required within ten (10) days of said notice, the Limited Partners shall notify the Managing General Partner of their decision whether to contribute to the Partnership the Additional Capital Required in accordance with their Percentage Interests. Any Limited Partner electing to contribute the Additional Capital Required shall promptly do so, and his Percentage Interest shall not change. If one or more Limited Partners ("Declining Limited Partners") decide not to contribute the Additional Capital Required, then the Managing General Partner may, but shall not be required to, admit other Persons to the Partnership as additional Limited Partners on such terms as the General Partner may determine, including reducing the Declining Limited Partners' interest in the Partnership provided that the General Partners shall use their best efforts to assure that no reduction shall be made in any existing Declining Limited Partner's interest in Profits that would cause him to recognize income under Sections 731 and 752(b) of the Code.

4.05 General Partner's Right to Acquire Interests. Any General Partner may acquire a Limited Partner's Interest and be admitted to the Partnership as a Limited Partner, with all the rights and obligations thereof, on the same terms and conditions as other Limited Partners. All reference in this Agreement to Limited Partners shall, if applicable, include General Partners in their capacity as Limited Partners.

4.06 General Partners' Loans. Any other provision in this Agreement notwithstanding, the General Partners may, but shall not be required to, advance funds to the Partnership as set forth in this Section 4.06:

A. The General Partners may, but shall not be required to, advance funds to the Partnership from time to time as it deems necessary or desirable.

B. Any advances made pursuant to this Section 4.06 shall be evidenced by a promissory note of the Partnership to the Managing General Partner not secured by any liens or other charges on the Project or any property and shall bear interest at the lesser of:

(1) 2 percentage points over the prime rate established from time to time by Bank of America National Trust and Savings Association, Los Angeles, California for unsecured loans to its largest and most credit worthy customers, or

(2) the rate which would be charged by an unrelated California lender normally engaged in making loans to similar entities; or

(3) the lower of lawful rate of interest which may be charged under the applicable laws of the State of California, the State and the United States;

and the repayment thereof shall be treated as a debt to a Person not a Partner, payable prior to any distributions to the Partners. Such notes shall be unsecured and shall not provide for any prepayment premium or penalty.

4.07 Nature of Partnership Interest. The interests of the Partners in the Partnership shall be personal property for all purposes. All property owned by the Partnership, whether real or personal, tangible or intangible, shall be deemed to be owned by the Partnership as an entity, and no Partner, individually, shall have ownership of such property. The Partners hereby agree that no Partner, nor any successor in interest to any Partner, shall have the right while this Agreement remains in effect, to have any Partnership asset partitioned, or to file a complaint or institute any proceedings at law or in equity to have such asset partitioned, and each Partner, on behalf of himself, his successors, successors-in-title, and assigns, hereby waives any such right.

4.08 Restrictions Relating to Partnership Capital. Except as otherwise specifically provided in this Agreement, no Partner shall have the right to withdraw or reduce his Capital Contributions; no Partner shall be entitled to receive interest on his Capital Contribution; no Partner shall have the right to partition of Partnership Property or to receive property other than cash, if any, in return for his Capital Contribution; no Partner shall be required to make any further contributions to the Capital of the Partnership; no Partner shall be liable to the Partnership or to any other Person to restore any deficit balance in his Capital Account or to reimburse

any other Partner for any portion of such other Partner's investment in the Partnership; no Limited Partner shall have priority over any other Limited Partner, either as to the return of his Capital Contribution or as to Profits, Losses or distributions; and no Partner shall have a right to the return of his Capital Contribution prior to dissolution and termination of the Partnership, and then only to the extent of Net Cash upon Liquidation of the Partnership, if any, distributable as provided in Section 5.04.

ARTICLE V

Capital Accounts, Profits, Losses and Distributions

5.01 Losses. Losses of the Partnership shall be allocated among all General and Limited Partners in accordance with their Percentage Interests.

5.02 Profits. Profits shall be allocated as follows:

A. If, at any time, any Partner has a negative Capital Account balance, Profits (in an amount equal to the sum of the negative Capital Account balances of all Partners with such negative Capital Account balances) shall be allocated to those Partners in proportion to their respective negative Capital Account balances.

B. To the extent any portion of Profits is attributable to a Disposition of Partnership Property and is treated as gain from the sale of property which is not a capital asset by virtue of the application of Section 1245 or Section 1250 of the Code ("Recapture Gain"), such Recapture Gain shall be allocated among all Partners in the same proportion as the sum of depreciation for the year of such disposition and all prior years, allocated to each Partner, bears to the sum of all depreciation deductions allocated to all Partners.

C. Profits in excess of the amounts allocated under subsections 5.02.A. and 5.02.B. shall be allocated to all General and Limited Partners in accordance with their respective Percentage Interests.

D. If an event causes the sum of the Partner's deficit capital account balances to exceed the minimum gain (the minimum taxable gain which would be recognized by the Partnership if the nonrecourse debt were foreclosed upon and the Partnership Property securing such debt were transferred to the creditor in satisfaction thereof), all partnership income, gain, loss, and deduction (or item thereof) must thereafter be allocated in a manner which reduces and eliminates the excess as rapidly as possible.

5.03 Cash Distributions. Distributions from the Partnership shall be made as follows:

A. Net Cash (other than Net Cash upon Liquidation of the Partnership) shall be distributed among individual Partners in proportion to their respective Percentage Interests for the period in respect of which such distributions are made.

B. Net Cash upon Liquidation of the Partnership shall be distributed among all General and Limited Partners in proportion to their respective individual positive Capital Account balances, computed after the allocations specified in Section 5.02.

5.04 Timing of Distributions. Net Cash, if any, shall be distributed to the Partners at such reasonable times as the General Partners may determine but no less often than annually.

5.05 Restrictions on Distributions. All distributions under this Agreement shall be subject to compliance with the restrictions on distributions of surplus cash contained in the Regulatory Agreement.

5.06 Character of Distributions. During the existence of the Partnership, no Partner shall be entitled to receive as distributions from the Partnership any Partnership assets other than money. If upon winding up of the Partnership the General Partners determine that (i) an immediate sale of part or all of the Partnership assets would cause undue loss to the Partners and (ii) Partnership assets are susceptible of division for distribution in kind to Partners, then, to that extent, the General Partners may distribute Partnership assets in kind to the Partners. In such event, each asset distributed in kind shall be valued at its current net fair market value (but not less than zero), and the unrealized gain or loss in value of each such asset shall be allocated to the distributed Partners' Adjusted Capital Account balances as if such assets had been sold for the value assigned to it, and each such asset shall then be distributed to the Partners as provided in 5.03.B.

5.07 Repayment of Creditor Partners. No distributions of Net Cash shall be made prior to the repayment by the Partnership of all loans and advances made by Partners that are currently due and payable.

5.08 Allocations with Respect to Varying Interests. Allocations of Tax Items among, and resulting distributions of Net Cash to, Persons who in any taxable year of the Partnership were Limited Partners for less than the entire taxable year or whose Percentage Interests owned varied during any taxable year shall be made in accordance with whatever reasonable, consistently applied method the General Partners may choose to implement the provisions of Section 706(c) of the Code.

5.09 Contingency Reserves. The General Partners shall have the right to establish such reserves and to set aside Partnership funds therein as the General Partners determine to be reasonable in connection with the operation of the General Partner's business. Any funds set aside in such reserves shall not be available for distribution pursuant to this Article, but the General Partners may elect to make a portion of such funds subsequently available for distribution (and thereby become Net Cash) to the extent that the General Partners reasonably determine that such funds are substantially in excess of the amount reasonably necessary to provide an adequate reserve for the operation of the Partnership's business. In the event the General Partners, at any time, elect to make any portion of such reserves available as Net Cash, they shall notify the Limited Partners thereof in the next regular report to the Limited Partners, specifying therein the sum elected to be made available for distribution and the reasons remaining reserves are adequate for Partnership purposes.

5.10 Capital Accounts. A Capital Account shall be established and maintained for each Partner. The Capital Account of each Partner shall be credited with his original Capital Contribution, all additional Capital Contributions, and Profits allocated to him pursuant to Section 5.02 and shall be debited with Distributions made to him under Section 5.03 and Losses allocated to him under Section 5.01. The Capital Account of a Person who is not a Limited Partner shall be that of his transferor Limited Partners.

ARTICLE VI

Syndication of a Limited Partner

6.01 Conditions to Syndication. The Partners recognize that it is the intention of one of the Limited Partners to offer and sell limited partnership interests in such Limited Partner in a transaction not involving a public offering. The Limited Partner may syndicate its limited partnership interest to investors who are, or are not, related to any Partner at any time, provided that all of the following conditions are met:

A. The Limited Partner shall represent and warrant to the Partnership and its General Partners:

(1) That the offer and sale of interest in the syndication comply with applicable federal and state securities laws; and

(2) Such offer and sale will not affect the classification of the Partnership under the applicable federal and state income tax laws as a partnership and not an association taxable as a corporation; and

B. The Limited Partner's present General Partner or Partners shall continue to hold an ownership interest in the Limited Partner and shall retain management responsibility for the Limited Partner.

6.02 Indemnity. The syndicating Limited Partner, and each of its general partners, shall jointly and severally indemnify and hold harmless the Partnership and its General Partner from and against any loss, damage, cost or expense incurred by the Partnership or any of its General Partners as a result of a claim that such syndication violated applicable federal or state securities laws, provided, however, that the Partnership or its General Partner shall not be entitled to any such indemnity if the violation of the securities laws was based on any information supplied or omitted to be supplied (or necessary to be supplied in order to make the information supplied not misleading) for inclusion in the Limited Partner's offering memorandum by the Partnership or its General Partners. The Partnership and its General Partners agree to provide reasonable information regarding themselves for such offering memorandum and to review the offering memorandum relating to the description of matters disclosed or represented by them to determine the accuracy of such information.

ARTICLE VII

Compensation, Fees and Expenses

7.01 Fees to the General Partners. The Partnership is authorized to pay to the Managing General Partners, or their Affiliates, salaries and fees in such amount as the Managing General Partners determine are appropriate provided, however, that such salaries and/or fees shall be paid solely from surplus cash as defined in any Regulatory Agreement and other funds not otherwise restricted by any Regulatory Agreement.

Such compensation shall be paid by the Partnership to the General Partners without regard to Partnership income as a guaranteed payment. Such compensation shall be reported by the General Partners and the Partnership as guaranteed payments under Section 707(a) and (c) respectively, of the Code, and such compensation shall be reported by the General Partners, in the taxable year received, as ordinary income.

A. review, monitor, evaluate and advise with respect to the operations of the Project;

B. maintain relations and communications with FmHA or any other governmental agency;

C. assist in the development and formulation of management policies; and

D. make appropriate recommendations pertaining thereto, provided that the cost and fees of such consultants shall not be paid out of, or charged against, the Project's rental income unless FmHA agrees that such costs and fees may be paid from the Project's rental income, but in all other respects such costs and fees shall be paid from surplus cash as defined in any Regulatory Agreement and other funds not otherwise restricted by any Regulatory Agreement.

7.03 Management Fees. The Partnership intends to enter into a property management agreement with a FmHA approved property manager as Managing Agent which may be an Affiliate of a General Partner, and pursuant to such agreement pay compensation to such Managing Agent at rates which shall be agreed to between the Partnership and the Managing Agent with the approval of FmHA.

7.04 Reimbursement of General Partners for Certain Advances. Funds advanced by the General Partners prior to the admission of the Limited Partner or from time to time as may be necessary shall be promptly repaid to them.

7.05 Expenses. General overhead and administrative expenses of the General Partners will not be charged to the Partnership. However, the Partnership will bear all direct costs and expenses incurred in the conduct of its business, including, without limitation, all costs and expenses for legal, audit, accounting and other technical and professional services, reports and other communications to investors, printing, postage, telephone and telegraph, travel, insurance, interest, messengers, office supplies, data processing, taxes, permits and licenses. In exercising any of their rights and powers, the General Partners may enter into agreements, incur obligations, and otherwise act in their own names. Similarly, agreements entered into and obligations incurred by the General Partners in their own names prior to the formation of the Partnership or the admission thereto of the Limited Partners are hereby assumed by the Partnership and shall constitute agreements and obligations of the Partnership.

8.06 Other Duties.

Except as may have heretofore been disclosed to the Partners, any such contract entered into by the Partnership with the General Partners or their Affiliates (except for a FmHA approved management contract) shall provide by its terms that said contract is terminable without penalty upon 60 days notice by the Partnership. Except as may have heretofore been disclosed to the Partners, notwithstanding any of the foregoing, neither the General Partners nor any of their Affiliates shall be paid any fee, commission or other form of compensation in connection with any sale, exchange, or refinancing of the Project or any part thereof.

The Partnership shall indemnify and hold harmless a General Partner who retires or is removed from the Partnership from all expense, loss, damage or liability resulting from any act or omission occurring after his retirement or withdrawal.

B. Each Limited Partner shall indemnify and hold harmless the Partnership, the General Partners, and every other Limited Partner, jointly and severally, from all expense, loss, damage or liability incurred as a result of the Partnership's being involved, directly or indirectly, in any litigation or dispute between such Limited Partner and a party other than the Partnership and the Partnership may, without prejudice to any other rights it may have, apply any amounts distributable under this Agreement to such Limited Partner to satisfy, wholly or in part, the Limited Partner's obligations under this Section 8.10.

ARTICLE IX

Rights and Obligations of the Limited Partners

9.01 Management of Business. The Limited Partners shall not take part in the management or control of the business of the Partnership nor transact any business in the name of the Partnership. The Limited Partners shall not have the power to sign for or bind the Partnership to any agreement or document. The Limited Partners shall not have any liability with respect to the Partnership and the Partners hereof except as stated in Section 9.02, nor any power or authority with respect to the Partnership except as stated elsewhere in the Agreement.

9.02 Limitation on Liability of the Limited Partners. The liability of each Limited Partner shall be limited to its capital contribution. No Limited Partner shall have:

A. Any additional personal liability to contribute money to, or in respect of the liabilities or obligations of the Partnership;

B. Any personal liability for any obligations of the Partnership; provided, however, that a Limited Partner receiving a distribution in return, in whole or in part, of its capital contribution shall be liable to the Partnership for any sum, not in excess of such amount returned, necessary to discharge liabilities of the Partnership to all creditors who extended credit or whose claim arose before such distribution was made; or

C. Any obligation to make advances to the Partnership.

9.03 Other Activities. Each Limited Partner may engage in or possess interests in other business ventures of every kind and description for its own account, including, but not by way of limitation, the ownership or management of apartment

projects, developments or undertakings, and in so doing it shall incur no liability to the Partnership or the General Partners as a result of engaging in any other business venture. Neither the Partnership nor any of the General Partners shall have any rights by virtue of this Agreement in and to such independent business ventures or to the income or profits derived therefrom.

9.04 Power of Attorney.

A. The Limited Partners, each of them, makes, constitutes and appoints the General Partners with full power of substitution and resubstitution his true and lawful attorney for him and in his name, place and stead and for his use and benefit, to sign, execute, certify, acknowledge, file and record this Agreement, and to sign, execute, certify, acknowledge, file and record all instruments amending this Agreement as now or hereafter amended that may be appropriate, including without limitation agreements or other instruments or documents:

(1) To reflect the exercise by the General Partners of any of the powers granted to them under this Agreement;

(2) To reflect any amendments duly made to this Agreement;

(3) To reflect the admission to the Partnership of an additional or substituted General or Limited Partner or the withdrawal of a Partner, in the manner prescribed in the Agreement; and

(4) Which may be required of the Partnership or the Partner by the laws of the State or any other jurisdiction or governmental agency including, but not limited to, Certificates of Fictitious Name.

B. The Limited Partners collectively and individually authorize such attorney-in-fact to take any further action which such attorney-in-fact shall consider necessary or advisable to be done in and about the foregoing, as fully as such Limited Partners might or could do if personally present, and hereby ratifies and confirms all that such attorney-in-fact shall lawfully do or cause to be done by virtue hereof.

C. The foregoing power of attorney is a special power of attorney coupled with an interest and is irrevocable; may be exercised by such attorney-in-fact by listing the person or entity executing any agreement, certificate, instruction or documents with the single signature of such attorney-in-fact acting as attorney-in-fact for all of them; and, notwithstanding any provision of this Agreement to the contrary, shall survive the delivery of an assignment by such Limited Partner of the whole or a portion of its interest in the Partnership, until the assignee thereof becomes a substituted Limited Partner.

9.05 Assignment of Limited Partner Interest. No Limited Partner shall have the right to Transfer its interest without the written consent of the General Partners. Any attempt to Transfer a Limited Partner Interest in violation of this Section 9.05 shall be void ab initio.

9.06 Dissolution of a Limited Partner. The death, adjudication of insanity, legal incompetency, general assignment for the benefit of creditors, or adjudication of bankruptcy of a Limited Partner or, of any partner of any Limited Partner which is a partnership shall not dissolve the Partnership. In any such event, or any other

event causing the dissolution of a Limited Partner, unless such Limited Partner is continued in accordance with the terms of its partnership agreement, the Partnership interest of such Limited Partner and all rights and obligations under this Agreement shall descend to and vest in, pro rata, the general and limited partners of the Limited Partner, or their respective heirs, legatees or legal representatives.

The Limited Partners, and each of their general and limited partners, hereby consent to the foregoing and hereby grant to the General Partners and each of them, with full power of substitution, an irrevocable power or attorney (coupled with an interest) to execute such amendments to this Agreement as shall be reasonably necessary in the determination of such General Partners, in order to vest such Limited Partner's interest in this Partnership in the general and limited partners of such Limited Partner, so that said general and limited partners would retain the same economic interest directly in this Partnership that they had indirectly through their ownership of the Limited Partner, and to amend this Agreement to provide for the same rights of substitution and assignment in this Partnership which said general and limited partners had in the Limited Partner.

9.07 Restrictions on Ownership of General Partners. Each Limited Partner and each partner of any Limited Partner (except a General Partner who also owns any partnership interest) hereby agrees that he will not, at any time, either directly or indirectly, own any stock or other interest in any entity which is a General Partner herein, if, in the opinion of the Partnership's counsel, such ownership may cause the Partnership to be taxed as an association taxable as a corporation and not as a partnership.

ARTICLE X

Resignation, Withdrawal and Removal of General Partners; Election of a New General Partner

10.1 Voluntary Resignation or Withdrawal of the General Partners.

A. No General Partner may withdraw his interest in the Partnership, transfer his interest to any person, or admit any person as a substitute General Partner except as follows:

B. Any General Partner may substitute any other individual who has substantial net worth as an individual General Partner, provided, however, that such other individual shall have been approved by all the other General Partners and a Majority of the Limited Partners. In the absence of such substitution, no General Partner may withdraw interest in the Partnership unless the remaining General Partners consent to such withdrawal, any requirement of approval by FmHA contained in the Regulatory Agreement or any other Agreement with FmHA is obtained, and:

(1) The Partnership has a General Partner which is a corporation, which is qualified to act as such and which has sufficient net worth to meet the then applicable net worth requirements for a sole corporate general partner established by the Internal Revenue Service for the purpose of determining that a limited partnership is entitled to be taxed as a partnership and not as an association taxable as a corporation, or

(2) Unless the Partnership has one or more other individual General Partners and that the aggregate net worth of all of the General Partners is substantial.

C. Any withdrawing, selling, transferring or assigning General Partner hereby agrees to indemnify the Partnership for all liabilities and obligations incurred by him, or on account of any actions, or failures to act, in his capacity as a General Partner of the Partnership during the period in which he was a General Partner subject to Section 8.10.

10.02 Substitute and Additional General Partners. To the extent permitted under laws of the State, additional persons may become General Partners on the following terms and conditions:

A. The General Partners or any successors thereto, may, with the consent of a majority-in-interest of the Limited Partners, at any time designate additional persons to be Co-General Partner, whose interest in the Partnership shall be such as agreed upon by the General Partners and such additional General Partners, provided that the interest of the Limited Partners shall not be affected thereby.

B. At any time during which Wilshire Investments Corporation is a General Partner, it may cause the Partnership to admit an individual designated by it, or any corporation wholly owned by it, or it and said individual, or by either of them as additional General Partner. Each General and Limited Partner hereby consents to such admission and herewith grants to the General Partners, and each of them, their irrevocable power or attorney (coupled with an interest) to execute any and all agreements, certificates, amendments thereto, documents or other instructions necessary to carry out the foregoing.

C. The parties hereto agree that the interest of Wilshire Investments Corporation, arising by virtue of Sections 4.01, 4.02, 4.03, 5.01, 5.02, and 5.03 and any fees or salary payable to it or its Affiliates pursuant to Section 7.01 or 7.02 hereof, are personal to them, shall not be diminished, and shall not inure to the benefit of any other person by virtue of the admission or substitution of additional General Partners pursuant to this Section 10.02, Section 10.04, Section 10.05 or Section 11.02 hereof without Wilshire Investments Corporation's consent.

10.03 Interest of Withdrawing, Disabled or Deceased General Partner. In the event any General Partner voluntarily withdraws, resigns, sells, transfers or assigns his entire Partnership interest pursuant to Section 10.01, or upon the bankruptcy, death, dissolution, incapacity or adjudication of incompetence of a General Partner, such portion of his interest as is necessary to meet the requirements of Section 4.01.D, shall inure to the benefit of the remaining General Partner or Partners, and the balance of such interest shall be converted to a limited partnership interest and he shall not thereafter participate in management of the Partnership or be personally liable for its debts arising thereafter, but for all other purposes of this Agreement, including the right to receive distributions, such interest shall be treated as a General Partner interest. None of the foregoing shall have any effect on any Limited Partner Interest held by any General Partner.

10.04 Admission of a Successor General Partner. Any successor person or entity shall be admitted as a General Partner of the Partnership if the following terms are satisfied:

A. The successor person or entity shall have accepted and assumed all the terms and provisions of this Agreement and the Regulatory Agreement;

B. If the successor entity is a corporation, it shall have provided counsel for the Partnership with a certified copy of a resolution of its Board of Directors authorizing it to become a General Partner under the terms and conditions of this Agreement;

C. The successor person or entity shall have executed the General Partner Agreement, the Certificate of General Partner and such other documents or instruments as may be required or appropriate in order to effect the admission of such person or entity as a General Partner;

D. Counsel for the Partnership shall have rendered an opinion that none of the actions taken in connection with such transfer nor the admission of the successor or entity shall cause the termination or dissolution of the Partnership nor cause it to be taxed as an association and not as a partnership.

10.05 Removal of a General Partner. A General Partner may be removed as a General Partner subject to the following terms and conditions:

A. A General Partner may be removed for "cause". Any one or more of the following shall be grounds for removal of a General Partner for "cause":

(1) Any material breach of the General Partner's duties and responsibilities related to the terms of any agreements with FmHA;

(2) Any material breach of the General Partner's duties and responsibilities as herein contained or undertaken;

(3) Any assignment of the General Partner's interest herein in contravention of this Agreement or for the benefit of creditors;

(4) An event of Default under the Agreement of Sale or other purchase or debt document relating to the acquisition of the Project which is not cured within any time period for cure stated therein and which failure to cure would result in the termination of the Partnership's right and interest in the Project or a substantial portion thereof or would constitute an event or material default under the Project mortgage which is not cured within 30 days from the date of such default; or any foreclosure proceedings which are initiated under the Project mortgage and the mortgage is not thereafter reinstated within 30 days after the initiation of such foreclosure proceedings; or in the event any delivery or attempt to deliver any deed in lieu of foreclosure to the holder of the Project Mortgage.

B. A General Partner may be removed pursuant to Section 10.05.A above by a majority of Limited Partners by written notification to the General Partners 30 days after delivery of said written notice, unless the General Partners have cured the condition which gave rise to the grounds for removal within said 30 day period. Such notification shall set forth the reasons for such removal, and shall bear the acknowledged signatures and percentage ownership of each signing Limited Partner. The statement shall clearly specify that the signatories are requesting removal of the General Partner and may request the substitution of a new General Partner pursuant to this Section (unless cause for removal is cured), with the name and address of the person or entity to be substituted as a General Partner and the

effective date of such substitution. Such effective date may be any date so specified in the notice, but not less than 30 days subsequent to the mailing of the notice to the General Partners.

C. On receipt of the notice described in Section 10.05.B, the General Partner shall cause an accounting to be prepared covering the transactions of the Partnership since the end of the previous fiscal year, and the General Partner shall not sell or dispose of, or allow to be sold or disposed of, any Partnership assets, unless the sale or distribution was the subject of a contract entered into by, and binding upon, the Partnership prior to the date upon which the notice was received by the General Partners. In the event that the General Partners fail to make such an accounting, the remaining General Partner may cause such accounting to be made at the expense of the General Partner being removed. Expulsion of the General Partner shall become effective upon the date set forth in the notice unless the default is cured.

D. Upon the removal of any General Partner for any reason, his General Partner Interest shall thereupon terminate and a valuation of (i) the then value of the General Partner Interest of the removed General Partner arising by virtue of Articles IV and V of this Agreement and (ii) the present value of the unpaid portion of any fees or salary payable to the removed General Partner set forth in Section 7.01 hereof (collectively the "Interests"), shall be made by an appraiser who is a member of the MAI and has been selected by the American Arbitration Association. In making such appraisal, the appraiser shall be bound by the following:

(1) The appraiser shall not consider any restrictions on the transferability of the Interests of the removed General Partner;

(2) If the conditions precedent to any additional Interests have not been met, the present value thereof shall be established as above, so that the Partnership may elect to either immediately pay the removed General Partner for the Interest at the then presently established value thereof, or if the conditions are subsequently met, make distributions to the removed General Partner as if he had not been removed.

The cost of appraisals described in this Section 10.05 shall be borne by the Partnership.

E. Upon completion of the required appraisal, the Partnership must purchase the removed General Partner's Interest for cash on the basis of the said valuation. The Partnership may, as an alternative to paying the removed General Partner cash for his Interest, deliver to the General Partner one or more irrevocable, presently assignable, bank letters of credit issued by a bank acceptable to the removed General Partner. Such letters of credit shall call for presentation and payment of the entire valuation in no more than three equal installments maturing one, two and three years from the date of removal together with interest on the unpaid balance from time to time outstanding at the rate of interest set forth in Section 4.06.

F. A majority-in-interest of the Limited Partners may designate a successor, who, with the consent of such majority-in-interest, shall be admitted to the Partnership as the successor General Partner pursuant to the provisions of Section 10.04, except that Section 10.04.D. shall not be applicable.

G. None of the foregoing shall have any effect on any Limited Partner Interest held by the General Partner.

H. In addition to the foregoing, a General Partner shall be automatically removed upon bankruptcy, which, for the purposes of this Agreement, means the occurrence of an act of bankruptcy as defined in federal bankruptcy law then in effect, the filing of a petition in bankruptcy, the making of a general assignment for the benefit of creditors, voluntarily seeking the protection of any bankruptcy or insolvency laws, or adjudication as a bankrupt. If a petition is filed proposing the adjudication of a General Partner as a bankrupt, bankruptcy means consent to the filing thereof or failure to have such petition discharged or denied within 90 days after the filing thereof.

10.06 Liability of Former General Partners. A person who has ceased for any reason to be a General Partner shall nevertheless remain liable for all debts, obligations, liabilities and commitments of the Partnership incurred while he was a General Partner.

ARTICLE XI

Dissolution and Liquidation

11.01 Dissolution of the Partnership. The Partnership shall be dissolved on the earlier of the expiration of the term of the Partnership, or the happening of any of the following events, subject to the provisions of Section 11.02:

A. Upon the death, dissolution, withdrawal, resignation or adjudication of insanity, legal incompetency, insolvency or bankruptcy or removal pursuant to Section 10.05 hereof of a General Partner;

B. When all or substantially all of the tangible property and assets of the Partnership shall have been disposed of;

C. Upon the election in writing by a majority-in-interest of the Limited Partners to dissolve the Partnership; or

D. Upon the occurrence of any other event causing the termination of the Partnership under the laws of the State.

11.02 Election to Continue. In the event of a dissolution caused by an occurrence specified in Section 11.01.A. or D. the remaining General Partner or General Partners, if any, may elect to continue the Partnership. If such remaining General Partner fails to so elect within 30 days of the event causing dissolution, or if there be no remaining General Partner, by unanimous vote the Limited Partners may elect to continue the Partnership and, if necessary, elect a new General Partner, in accordance with Sections 10.02 and 10.04 hereof, for the express purpose of continuing the Partnership.

11.03 Winding Up and Distribution.

A. Upon the dissolution of the Partnership pursuant to Section 11.01, the winding up of the Partnership business and the distribution of Partnership property and assets shall be carried out with due diligence and in a timely manner and consistent with the provisions of this Section and applicable requirements of law.

B. The General Partners will be responsible for taking all actions relating to the winding up and distribution of assets of the Partnership. The General

Partners or such responsible person or party as may be appointed, shall be referred to hereinafter in this Section as the "Liquidator". The Liquidator shall file all certificates or notices of the dissolution of the Partnership as required by law. Upon the complete liquidation and distribution of the Partnership property and assets, the Partners shall cease to be Partners of the Partnership, and the Liquidator shall execute, acknowledge and cause to be filed all certificates and notices required by law to terminate the Partnership.

C. The Liquidator shall proceed without any unnecessary delay either to elect to dissolve in the manner set forth in Section 11.06 hereof, or to sell and otherwise liquidate the Partnership property; provided, however, that if the Liquidator shall determine that an immediate sale of part or all of the Partnership property would cause undue loss to the Partners, the Liquidator may, in order to avoid such loss, defer the liquidation of the Partnership property for a reasonable time, except for such liquidations as may be necessary to satisfy the debts and liabilities of the Partnership to persons and parties other than the Partners. The proceeds from the sale and liquidation of the Partnership property and assets shall be distributed as provided in Section 11.04.

D. Upon the dissolution of the Partnership pursuant to Section 11.01, the General Partners shall cause the accounts of the Partnership to prepare within 30 days of such dissolution, and the Liquidator shall immediately thereafter furnish to each Partner, a statement setting forth the assets and liabilities of the Partnership as of the date of its dissolution. Promptly following the complete liquidation and distribution of the Partnership property and assets, the Partnership accountants shall prepare, and the Liquidator shall thereafter furnish to each Partner a statement showing the manner in which the Partnership property and assets were liquidated and distributed.

11.04 Distribution of Proceeds from Sale and Liquidation of Partnership Property.

A. The net proceeds resulting from the sale and liquidation of the Partnership property and assets pursuant to liquidation of the Partnership property and assets pursuant to this Article XI, and from the refinancing of any mortgage loan on the property of the Partnership or from the sale or other disposition of all or substantially all of the property of the Partnership, shall be distributed and applied in the following order of priority:

(1) To the payment of debts and liabilities of the Partnership, other than loans or other debts and liabilities of the Partnership to Partners or former Partners;

(2) To the payment of any other unpaid loans or other debts or liabilities of the Partnership to any Limited Partners or former Limited Partners;

In addition, no purchaser of any asset owned by the Partnership shall be required to determine the sole and exclusive authority of the General Partners to sign and deliver on behalf of the Partnership any such instrument or transfer, or to see the application or distribution of revenue or proceeds paid or credited in connection therewith, unless such purchasers shall have received written notice from the Partnership affecting the same.

14.12 Right to Rely Upon the Authority of Person Signing Agreement. In the event that a Limited Partner is a trust (with or without disclosed beneficiaries), partnership, limited partnership, joint venture, corporation, or any other entity other than a natural person, the Partnership and the General Partners shall:

D. Be entitled to rely upon the authority of any general partner, joint venturer, co- or successor trustee, or president or vice president (as the case may be) of any such entity the same as though such person were the person originally signing this Agreement or any amendment hereto on behalf of such entity.

14.13 Integrated Agreement. This Agreement constitutes the entire understanding and agreement among the parties hereto with respect to the subject matter hereof, and there are no agreements, understandings, restrictions, representations or warranties among the parties other than those set forth herein or herein provided for.

14.14 Number and Gender. Whenever the singular number is used in this Agreement and when required by the context, the same shall include the plural, and the masculine gender shall include the feminine and neuter genders, and the word "person" shall include corporation, firm, partnership or other form of associations.

14.15 Conflict with Regulatory Agreement. Upon execution, the Regulatory Agreement shall be binding upon the Partnership and all of the Partners, whether they become Partners before or after the execution of said Regulatory Agreement. As long as the Project is encumbered by any mortgage or deed of trust (the "Mortgage") held by FmHA and during such time as FmHA shall be the owner or holder of any such

mortgage loan (the "Mortgage Loan") or is obligated to reinsure any such Mortgage Loan:

A. Such Regulatory Agreement shall remain binding upon the Partnership; its successors and assigns, and the Partners;

B. Any incoming General Partners or Limited Partner shall, as a condition of receiving an interest in the Partnership or its property, agree to be bound by the Mortgage, the Regulatory Agreement and any other documents required by FmHA in connection with the FmHA Mortgage on the Project to the same extent and on the same terms as the other General Partners or Limited Partners, as the case may be;

C. The Partnership shall not be voluntarily dissolved without the prior written approval of FmHA;

D. Upon any dissolution of the Partnership (whether voluntary or involuntary), no title or right to collect the rents therefor shall pass to any person who is not bound by such Regulatory Agreement in a manner satisfactory to FmHA;

E. In the event that any provision of this Agreement in any way tends to contradict, or in any way change the terms of such Regulatory Agreement, the terms of the Regulatory Agreement shall prevail and govern;

F. No distribution (as defined in such Regulatory Agreement) shall be made except in accordance with the requirements of such Regulatory Agreement;

G. So long as any property of the Partnership is encumbered by a mortgage insured, owned or held by FmHA, the Partnership shall not be voluntarily dissolved without the prior written approval of FmHA and no distribution (as defined in the Regulatory Agreement) shall be made except in accordance with the requirements of the Regulatory Agreement;

H. As long as the Partnership property is encumbered by any mortgage or deed of trust insured or held by the Farmers Home Administration or other contract of FmHA regulating the operation of the Project under any FmHA program, if any provisions of this Agreement are inconsistent with any provisions of that Regulatory Agreement or other contract of FmHA, such Regulatory Agreement or other contract shall control;

I. The Partnership shall also assume all obligations of any residual receipts notes due to FmHA, as well as comply with all terms and provisions under a use agreement for any loans under FmHA's flexible subsidy program. Notwithstanding anything in this Agreement to the contrary, there shall be no distributions of surplus cash as defined in the Regulatory Agreement until all flexible subsidy loans to which the Project is subject have been paid in full. It is specifically understood and agreed that no Partner shall assume personal liability for the repayment of the residual receipts notes or flexible subsidy loan, and the sole recourse for payment thereof shall be against the Partnership and its assets.

J. So long as the Farmers Home Administration, or its successors or assigns, is the insurer or holder of the mortgage on the Project, no amendment to this Agreement which results in any of the following shall be of

force or effect without the prior written consent of FmHA: (i) any amendment which modifies the duration of the Partnership Agreement; (ii) any amendment which results in the requirement that a FmHA prior participation certification be obtained for any additional party; and (iii) any amendment which in any way impacts on or affects the FmHA Mortgage or Regulatory Agreement.

14.16 Obligations with Respect to Capital Accounts. All payments by the Partnership pursuant to Section 7.01, 7.02, 11.04A.(2), as well as repayments of any advances made pursuant to 4.04.B. and payment for the cost of any reports required by Section 12.05.C. hereof, shall be made only from Capital Contributions or surplus cash as permitted under the Regulatory Agreement and other funds not otherwise restricted by a Regulatory Agreement. Any note, contract, evidence of indebtedness or other obligation which is payable only from contributed capital shall recite on the face of such obligation that the obligation, including interest thereon, shall be payable only from contributed capital and will not otherwise be an obligation of the Partnership or of the Project. All accounts of the Partnership shall specifically identify such limited source of funds for payment of these obligations in such manner that financial statements and reports, and audit reports, will reflect the limited source of payment thereof. Nothing contained herein shall permit the distribution of surplus cash to the Partnership in violation of the Regulatory Agreement, FmHA rules or regulations.

IN WITNESS WHEREOF, the undersigned have executed this Agreement of Limited Partnership as of the date first above written.
