TOTAL SYSTEMS MONITORING, INC.

Articles of Incorporation — Additional articles:

- Article 6:** The purpose for which the corporation is organized shall be the manufacture, marketing, sale, and operation of air conditioning monitoring and control devices and the transaction of any and all other lawful business for which corporations may be incorporated under the laws of the State of Idaho.
- Article 7:** The Board of Directors, by a majority vote, shall have the power to adopt bylaws and to repeal and amend bylaws.
- Article 8:** No contract or other transaction between this corporation and any other corporation, whether or not a majority of the shares of the capital stock of such other corporation is owned by this corporation, and no act of this corporation, shall be in any way affected or invalidated by the fact that any of the directors of this corporation are pecuniarily or otherwise interested in, or are directors or officers of such other corporation; any director individually, or any firm of which such director may be a member, may be a party to, or may be pecuniarily or otherwise interested in, any contract or transaction of this corporation, provided that the fact that such director or such firm is so interested shall be disclosed or shall have been known to the Board of Directors; and the director of this corporation who is also so interested may be counted in determining the existence of a quorum at any meeting of the Board of Directors of this corporation which shall authorize such contract or transaction, with like force and effect as if he or she were not such a director and/or officer of such other corporation, or not so interested.
