Dear Sir/Madam:

I understand from a recent telephone call placed to your office, that you have changed the filing dates for annual reports to the anniversary month of the original qualification filing. The above corporation's report will be due by the end of February 2001 versus the end of November 2000. A report form will be mailed to us in January.

At this time we respectfully request that the attention line on our address be changed to delete the name P. Robinson (who is no longer with our company) and be replaced with "Legal Department."

Should anything further be required to facilitate this request, please contact me by telephone at 901-684-3784 or by facsimile at 901-684-3595.

Sincerely,

Paul J. Posey, Jr.
Secretary
